DISCOVER WHAT'S AT THE CENTRE

CONNECTING TO THE ENERGETIC WEB WITH GURU DHARAM SINGH KHALSA

Yogic mythology speaks of the magnificent palace of Lord Indra, which is covered by a great canopy stretching over everything. It is constructed from our projected thoughts, emotions and actions. At each junction where these projections intersect a pearl forms which reflects the image and information and cycle of these projections as well as those contained in all of the other Pearls. Thus each Pearl is stamped with the holographic imprint of the entire Universe, connecting us into one interdependent interactive field that spans the space time continuum. This network is a matrix of Universal intelligence, which may be navigated, received and absorbed by the yogi. Come and connect to Indras Net with Guru Dharam.
