

EXPLORE THE NEW FREQUENCIES OF HEALING

Find out what's baffling the medical community. Discover why hospitals and universities around the world are investing time and money in an attempt to explain these healings, and how – regardless of your background – you, too, can **master this extraordinary work!**

Reconnective Healing has been presented at the **United Nations, Madison Square Garden**, featured in **The New York Times** and elicits great interest from top doctors and medical researchers worldwide.

Doug is leading worldwide research efforts to better understand and communicate the amazing truths of Reconnective Healing with world-renowned scientists such as Drs. William Tiller, Gary Schwartz at the University of Arizona, USA and Konstantin Korotkov at St Petersburg State Technical University, Russia.

He will perform live demonstrations and discuss the remarkable story of how this new level of healing was discovered, along with the latest findings from the research that substantiates it. More importantly, find out how you can learn to use it for yourself, your family, friends, pets and the planet. Q&A to follow.

DOUG DE VITO
Bs CHE, MBA

Doug De Vito is Head of Planning for The Reconnection and brings Reconnective Healing to the planet along with Eric Pearl. With a very traditional education in Chemical Engineering and an MBA, he thought he'd be the last person to become a healer. For 13 years, he worked in very traditional management and marketing leadership roles at Fortune 100 companies such as Procter & Gamble, AT&T, Walt Disney. And then, this work "found him".
