SPIRITUAL WEALTH WORKSHOP

WHEN SPIRITUAL FULFILLMENT AND MATERIAL WEALTH BECOME ONE

Spiritual Wealth is an insightful and inspiring workshop to help you transform the way you think, feel, and act about prosperity and success through:

Understanding our Ego Self:

- Realize how we think, act, and feel from a point of fear and negativity
- Examine our relationship with money and abundance and whether it is positive or negative.
- Identify and release blocks and limiting patterns and beliefs that prevent us from being our greatest self.

Connecting with our Inspired Self:

- Find the true meaning and deep purpose within ourselves
- Supercharge ourselves with optimism, creativity and positive energy.
- Visualize our dreams, setting inspired intentions, making positive action, and learning how to attract prosperity and success.

Workshop Includes:

- Group discussion
- Self reflection exercises
- Guided meditations and visualizations
- Practical tools and techniques for regaining your positivity

Learn to remove blocks and release beliefs and patterns in your life that hold you back.

Supercharge yourself with optimism, creativity, and positive energy to move forward in life with positive intention and inspiration.'

Richard Zimmerman is a Co-Founder of Alchemy, a leading centre for personal transformation and growth in London. He is a writer and motivational speaker specializing in spirituality, wealth and conscious living, with a background in many spiritual practices and a successful career in wealth management.
