## MAYAPURIS – THE FRESHEST VOICES, BEAT MAKERS, DANCERS & SCENE LEADERS IN KIRTAN

The Mayapuris are a new generation kirtan band, breathing young life into sacred 5,000-year-old Vedic songs, inspiring people all over the world, including rock stars and swamis, to sing, dance and be transported. Their show is an entertaining and colourful presentation of live music featuring an upbeat Mridanga drum presentation and a fusion of dance from classical Indian to modern.

The Mayapuris' sound is a product of a global upbringing, bhakti yoga meditation, punk rock attitudes and a genuine desire to serve the world with powerful, uplifting music. This show is sure to get you moving in your heart and body.
