

## COME AND JOIN WAH! AT ALCHEMY

Musician and spiritual seeker WAH! and her band create a unique mix of pop, world music, and reggae.

Wah! has created extensive music products for yoga and meditation communities, and has performed at Omega Institute, Kripalu Center, Yoga Journal Conference and the UK Yoga Show. After touring with Krishna Das for three years, WAH! took time off to work with producer Herb Graham, Jr. on OPIUM, a dreamy R&B collection of songs about life.

LOKAHA and JAI JAI JAI showcased her unique combination of hip production with mantra; UNPLUGGED captured her heartfelt English songs in a live setting.
