LEO NEW MOON MEDITATION & GONG BATH WITH ROMA

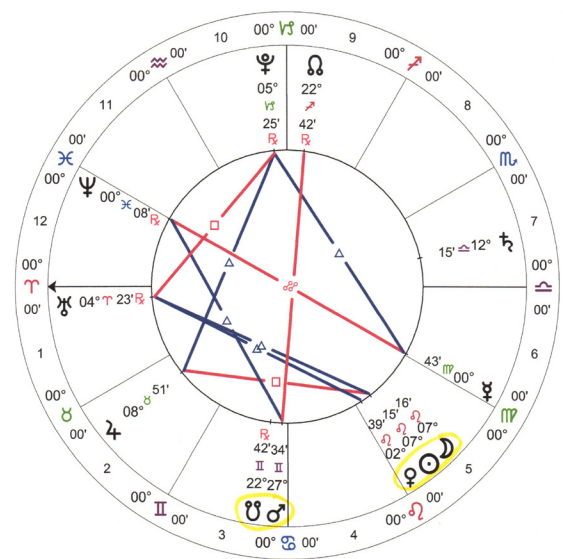

The New Moon in Leo happens on 30 July at 19:40 in London. Leo is the sign of the entertainer and loves to enjoy life to the fullest. It is a fire sign and is associated with the Sun. No wonder Leos need to have an audience...the Sun, the center of the solar system, belonging to them. The New Moon is the time when the Moon joins the Sun, starting another monthly cycle between those two lights. This New Moon is quite special with the triple grouping of the Sun, Moon and Venus all in the grand sign of Leo. Venus brings a sense of beauty, love or just fun to the New Moon. This is the perfect line up for a big performance. It's a Saturday night so plan for live entertainment. Let's look at the aspects to that Sun and Moon. Jupiter has a red line or square to them. Jupiter likes to shake thing up a bit, so that will add to the feeling of letting go. Also, Uranus is forming a blue line or trine to them. Uranus is the rebel who wants to radically change things. So, this is a set up for a live performance that ends with everyone dancing, as wildly as they can possibly manage.

Dance, sing and play like a child!
