## LIBRA NEW MOON MEDITATION & GONG BATH WITH ROMA & SIMON

The New Moon in Libra happens on 27 September at 12:09 in London. The New Moon is the beginning of the monthly cycle of the Moon relative to the Sun. It goes like this each month...New Moon, 1st Quarter, Full Moon, last Quarter and back to the New Moon again. Look at the chart for this New Moon as we see five planets lining up in Libra. We have Mercury, the Sun, Moon, Venus and Saturn all in the sign of Libra. That is fully ½ of the solar system in one sign. Libra is here to develop relationships. Even the symbol for Libra looks like a scale with the balance on both sides being equal. This Libra New Moon can mark the beginning of a meaningful relationship for you. In my book, *Susie's Sun Signs*, I've named Libra the Romantic. They like flowers, candy and lots of hugs. So be very sensitive to what your loved ones need now. Be there for them with even a little extra. Go out of your way to find the store that carries his favourite brand of cologne. Or make a sweet card with your own poem that expresses your feelings. Now is not the time to hold back...take the romantic lead. You will feel extra loved when you give fully to others. Feel the love....
